

Inkjet Matte Papers

PosterColor Paper - 7 mil

■ matte 3946

Photorealistic Paper - Economical alternative, premium performance!

3946 is a universal matte paper which provides high color saturation, superb imaging with brilliant colors and an extremely versatile coating. What makes this product superior in its class is the ability to accept high ink loads without bleed through or backside distortion (cockle). The advantages include high ink load retention, high resolution, and fast drying.

Physical Properties
